

## Submission Modality

Authors are invited to submit an only original Full paper in IEEE PDF format via the RTEST 2018 EasyChair

<https://easychair.org/conferences/?conf=rtest2018>

Manuscripts should be prepared in 10-point font using the IEEE 8.5" x 11" two-column format. Full papers should describe unpublished works and novel research contributions are limited to eight (8) printed pages including figures, tables, and references (**max 2 additional pages are allowed with a per-page extra fee of 100 USD**). Submissions should be aware of plagiarism considerations and comply with the corresponding Code of Ethics. Please consult [Plagiarism Awareness](#) or [IEEE Plagiarism FAQ](#).

All submissions are reviewed by at least three reviewers in terms of their relevance to the symposium scope, originality and novelty of the work, technical soundness, presentation and writing quality, quality of experimental/simulation results and/or proofs

A selection of the best papers will receive outstanding paper awards, and will be highlighted as such in the conference proceedings. Also, these papers will be invited to be extended for publication in selected journals after another round of review.

## Submissions Guidelines

All submitted papers must be unpublished and should be written in English and formatted according to IEEE Template (Latex and MS-Word):

[http://www.ieee.org/conferences\\_events/conferences/publishing/templates.html](http://www.ieee.org/conferences_events/conferences/publishing/templates.html)

Submitted papers must present original unpublished research that is not currently under review for any other conference or journal. Papers not following these guidelines may be rejected without review. A full paper must not exceed the stated length (including all figures, tables and references). Also submissions received after the due date, exceeding length limit, or not appropriately structured may also not be considered.

The accepted papers will be indexed by IEEE Xplore and accessible through the IEEE Xplore digital library. Authors of accepted papers are expected to present their work at the conference. Please note that, only orally presented papers will be submitted for Publication in IEEE Xplore and IEEE reserves the right to exclude a paper from distribution after the conference if the paper is not presented by authors at the conference days.

Authors may contact the Program Chairs for further information or clarification.
